PERSONAL PROFILE

Lee is a danish/israeli actress, model, and businesswoman. Originally from a small island, Roemoe, in the southern part of Denmark, she left home when she was 15 years old to purchase her dream and love for performing arts and studied at some of the most prestigious acting schools in the world.

Her career started in modeling and television, and she is now an up and coming actress with exciting film projects in the horizon.

She is also the founder of PURELEE, a danish vegan and organic skincare brand.
